## EXECUTIVE SUMMARY

The Lord truly blessed Children's Bible Ministries, Inc with an incredible year of ministry. The East TN Area was able to expand into 3 additional counties for Released Time, now reaching children in TN, KY, and VA. The newest Area, Camp Ozone, also in TN, was able to hold its first-ever week of overnight camp. CBM expanded to include three International Affiliates. 11 new pre-field missionaries graduated from the G.R.O.W. Training Program. 9 Interns graduated from the National Internship Program. Most importantly, thousands of children heard and hundreds received the gospel of Jesus Christ. The statistics contained within this report represent the ministry activities of CBM's 13 U.S. Areas and 3 International Affiliates starting September 1, 2015 and ending August 26, 2016.
