EXECUTIVE SUMMARY

CBM is humbly grateful for the Lord’s continued work in this ministry. God continues to allow us to reach thousands of boys and girls in the public school system through Released Time, and to disciple many others through Bible Correspondence Lessons. Summer camp continues to thrive as well, with locations across the nation. We are also ecstatic that since the National Internship Program commenced in 2014, the Lord has allowed 31 young adults from 7 teams to graduate, with 16 of these young adults called into full-time ministry. CBM’s work and workers continue to be financially and prayerfully supported by individuals and churches who stand behind the ministry. Thank you for supporting this work and for rejoicing together with us in what the Lord has done over the past year.

The information and statistics contained within this report represent the work of the Lord through the 3 C’s of CBM’s 12 United States Areas and its International Affiliates from fall 2017 through fall 2018.
