## **A Letter from CBM's National Board Chairman**

To the CBM Family and Friends,

Children's Bible Ministries has been very blessed with the leadership of Lincoln and Jamie Simmons. They have worked tirelessly for this ministry, with the goal of seeing boys and girls come to know Jesus Christ as their personal Savior. One is able to see the passion they both have for reaching souls for the Lord Jesus Christ.

In addition, the Simmons have worked to see accomplished all of the debt gone from the National Headquarters in Townsend, TN. This was a major milestone for the ministry. They were able to see a new CBM area and camp (Ozone) be purchased and the bank debt paid in full. To see both of these areas grow without debt is truly a blessing from God.

They have also changed the structure of all the staff at the National Headquarters and Tuckaleechee Retreat Center so that all the staff are supported by missionary support and not paid a salary, relieving a lot of pressure from the funds at National and allowing for expansion in the form of the National Internship Program. I believe this program that the Simmons

started has transformed how the local CBM areas regard CBM National. The interns have four months of classes and training at Headquarters and are then sent for three rotations to various CBM camps and areas to minister under the leadership there. They learn first-hand how to be a CBM missionary. I have heard nothing but good things from both the interns and various CBM areas about the success of this program.

Now to get to the point of this letter: Lincoln and Jamie have given a lot of themselves and their vehicle to serve the Lord through CBM. I know personally that they have used their vehicle to carry interns, supplies for Camp Ozone, and the list goes on. They recently mentioned in a prayer letter that they would be purchasing a used car to replace the one that has seen better days. I believe we need to help them in this purchase and show our appreciation for their unselfish labor of love for the Lord and for the ministry of CBM. Please join me to further the ministry of CBM and show our appreciation to our ministry leaders.

If you are able to help with funding for this used car for Lincoln and Jamie, please send your gifts to CBM Headquarters (160 Bear Lodge Drive, Townsend, TN 37882 or online at: <https://www.continuetogive.com/cbm> and designate "Car Fund."

Thank you in advance for helping us show our appreciation to these servants of the Lord.

In Christ,  
Reverend Greg Kain  
(CBM National Board Chairman)

**Mark your calendars**

## **Moldova Mission Trip**

CBM's National Interns and National Staff are taking an overseas mission trip to Moldova in August 2016! Moldova

Overseas Mission trip to Moldova in August 2019. Moldova Mission is a CBM Affiliate ministry.

### **Facts about Moldova:**

- It is the poorest nation in Europe and has one of the highest orphan rates in the world.
- It declared itself as an independent state in 1991.
- There are currently 2,913,281 inhabitants in Moldova. Many school-age children are in desperate need of hearing about the love and grace of Jesus Christ.
- Over the past 20 years, an estimated 400,000 children and young adults have been abducted from Moldova and sold into sexual slavery.

### **Moldova Mission's plan:**

- Camp Emmanuel - to educate, engage and share the love of Jesus with southern Moldovan children.
- Vocational Training Center - to enable Moldovans to find and keep higher-paying jobs so as not be lured by trafficking recruiters with false promises. They are trained in areas such as agriculture, Internet, and English as a second language.
- Hope Houses - to provide the intensive and life-changing training and recovery where rescued girls will live, find healing, and receive love, Christian care, and vocational training until they are able to stand on their own. To learn more, visit their website at: <http://www.moldovamission.com>

### **What will we do on this trip?**

- Run a week of camp – Moldovan youth have little access to

summer camps, which is where many accept Jesus as their Lord and Savior.

- Share the good news of Jesus' redemptive plan with locals through street witnessing.
- Help with any necessary building projects at the camp, which is still in the developmental stages.

Please pray for the team as they raise the needed support to go – the cost for each person is \$2,000. If you are interested in helping fund this trip, just
