CLASSES

Released Time Bible Classes are voluntary off-campus instruction for public school students who have been given parental permission to attend.

They take place during the school day (usually once a month) and the Bible is taught as the Word of God and the authority for faith and conduct.

Released Time is an effective way to reach a great number of public school students with the truths of the Bible and is legal in all 50 states.

CBM hosts other classes at many of their areas. These range from after-school Bible clubs to sports ministry to homeschool enrichment classes.

Our Motto:

Win a child...Win a life!

CORRESPONDENCE

CBM has a discipleship program that students can participate in through the mail! We call it Correspondence or Mailbox Club.

Each lesson is based on Scripture, and is designed to inspire young people to study their Bible at home and encourage them to memorize Bible verses. Lessons are free, available everywhere, and can earn students discounts on summer camp!

Visit our website for more information:

childrensbibleministries.net/correspondence

Our Mission:

The purpose of CBM is teaching the Bible, evangelizing the unreached, discipling believers of all ages, encouraging and equipping them for active service for Jesus Christ in their community, local church, and on to the world.

CAMP

CBM's summer camps provide a safe and exciting environment for children to learn about the Bible while experiencing camp at its finest. Our camps offer weeks for children from Kindergarten through High School.

Campers enjoy varying activities at each of our areas and are led by full-time missionary staff and highly trained summer staff. Many of our areas have available positions for students to engage in Ministry Leadership Training.

During the school year, CBM's camps host a range of events including retreats and camp days. Camp facilities are available for churches, families, and individuals to rent.

**"Behold, children are a heritage from the Lord."
Psalm 127:3a**
