CHILDREN’S BIBLE MINISTRIES

The purpose of CBM is teaching the Bible, evangelizing the unreached, discipling believers, including school students and adults, encouraging and equipping them for active service for Jesus Christ in their community, local church and on to the world.

National Volunteer Program

**What did you do
today that will last
for a lifetime?**

God uses CBM to change thousands of young people's lives per year for eternity, and we believe if you "Win a Child – (you) Win a Life."

The various ministry locations affiliated with CBM conduct Bible clubs, Released time in public schools, summer camp, retreats, and outdoor education events...all with the intent of teaching children, teens (and adults!) the Gospel of Jesus Christ.

The ministries of CBM are 501c3 non-profit organizations and strive to be good stewards of what God has provided. All of the areas depend on volunteers!

Not everyone can teach a Bible class or help with summer camp. But – everyone can do **something**. You can be part of this! Our goal is to connect volunteers and their skills to CBM ministries and their need.

Who are Volunteers? They are men, women, retired, not retired yet, skilled craftsmen, or "always wanted to try." Dishwashers, cooks, painters, builders, electricians, cleaners, window washers, office workers, and gardeners – **anyone** willing to lend a helping hand can help Children's Bible Ministries.

The work done by our volunteers allows more children to be reached with the life-changing Gospel!
