# *CBM of Florida, Camp Gilead, Polk City*

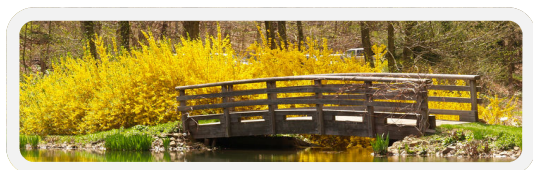

Camp Gilead's Family Fun Day, on March 29th, had several local churches and businesses partner with them for this years annual event. Rev. Kenneth Pritt, Jr., Executive Director of Camp Gilead reports, "We had 315 guest pre-register, and at least 50 of those had never been to Camp Gilead before. The day of the event was a huge win for us as we ended up with 633 people in the community in attendance.

It was great to have the CBM

National Director, Lincoln Simmons and his wife Jamie in attendance. The Lord blessed us by holding off a major rain storm until the last two hours of the event!"
