Celebrating over 40 Years with CBM

In a crowd you don't hear very much from Jim but when he speaks what he says comes from the heart and from a lot of experience and wisdom!

Jim and Mary Miller have been a vital part of Camp Victory and the CBM Family over the last 40+ years. Their service at Camp Victory and their faithful-

ness to the Lord over these years has been so valuable to our CBM Family.

Jim writes, "I had no dramatic call, I just knew there was a real need for help at Camp Victory; I felt maybe the Lord wanted me to help.

Soon after beginning work I realized I was in way over my head. But God in His grace provid-

ed my wife, Mary and others to share the load.

Mike Birkner, one of the Board members who interviewed us, said, "These kids won't burn down the woods, but they'll be there." The woods are still standing and by God's wonderful grace and provision we are still here after 40+ years. I guess our dear friend was a true prophet. God is so good!"

Their lives have set a great example to us of trusting the

Lord daily to meet our needs. Thanks Jim and Mary for being faithful to the call where God has placed you!

February 7th - The SAL Local Board planned a special evening to celebrate Jim and Mary Miller's 40+ years with Camp Victory!

Creation Classroom has been a staple in our ministry for quite some time. 2013 marks the first year that we have had a week of summer camp based on Creation Classroom. One of our partnering ministries with Children's Bible Ministries, Ponderosa Bible Camp, was the gracious host. The theme for 2014 camp is "Developing a Biblical Ecosystem." The activities/skills that we will teach are signaling, orienteering, and first aid. It will be a fun and exciting time in God's creation!

Luke and Naomi Milam have been praying for God to open the door for them to

build a discipleship program to help churches. God has answered that prayer. Our pilot program is going great, and we have two new chapters that are looking to start early in 2014.

Apologia Chapters is based on four life areas: Bible life, Mission life, Outdoor life, and Family life. The anticipation is overwhelming to think about where God is going to take this ministry in the months ahead!

Up Coming Events:

- February 22—Specific Skills

Check out Apologia Chapters on our web page

Course—Signaling (class time is around 5 hours)

- **March 14-16**—Wilderness Awareness Course
- **May 6-11**—Camping Awareness Course

- **June 14-20** Creation Classroom Camp for grades 3-6

- **June 29-July 5** - Apologia Adventure Camp

It would be an honor to have you, your family, or your church come out to be a part of Apologia Outdoors. Please let the Milams know

how they can serve you.
