A WORD FROM THE GLOBAL DIRECTORS

Here at Children's Bible Ministries, we are blessed to say that THIS is a place where God is working.
There is just no doubt about it!

*Tens of thousands of children are hearing the Gospel and being taught the Word of God on a monthly basis through our Bible Released Time Programs and other Bible Classes.
*Multiple churches are being partnered with to train and send new missionaries into the harvest both domestically and overseas.
*Thousands of children and youth are being discipled through God's Word and receiving discounted (or FREE!) Summer Camp.
*Hundreds of children in need are being fed physically and spiritually in Honduras.
*English (from a Christian perspective) is being taught INSIDE of a Christian church building to locals who would never otherwise attend church, in Moldova.
*College-aged interns are receiving a FREE (paid by CBM) 30-credit Bible Certificate, along with 15-months' worth of intensive leadership and skills development and training.
*Pastors and missionaries from churches and mission agencies around the globe are receiving extremely discounted and much-needed respite time with family and the Lord during deputations and sabbaticals.
*And honestly?! SO. MUCH. MORE.

We invite you to join us, if you haven't already.

This Annual Report is filled with figures that represent changed lives, and most importantly, eternities that will now be spent with the Lord. Our goal for this report is that God will be magnified and exalted, and that He will lead more to partner with us in this Kingdom work.

A Year of Impact

From children to adults, our Annual Report tells a story of changed lives

CBM, Inc.
Headquarters in Townsend, TN

Evangelism

We've continued to provide access to the Christian Gospel for all children everywhere, from outreach to public school children, to camp ministry, to international missions.

Training & Discipleship

We've continued to train young adults through our Bible College Internship Program, new missionaries through our G.R.O.W. Training, and to encourage and equip existing missionaries through quality seminars and conferences.

Expansion

We've strived to reach more souls in need of a Savior through expanding our reach - through new church and public-school partnerships, new mission trip locations, and more. We have continued to develop our Missions Internship, so young adults are well-prepared for a lifetime of service to the Lord.
