

October Prayer Calendar

“But as we have been approved by God to be entrusted with the gospel, even so we speak, not as pleasing men, but God who tests our hearts.” 1 Thessalonians 2:4

October 1

CBM Project Knoxville: Follow His L.E.A.D. (**L**oving, **E**ducating **a**nd **D**isciplining Future Generations):

- **Praise:** BRT continues to grow. A new school started in September. Though administration was resistant at first, when she heard the excitement of the parents and students, she completely changed her mind about BRT.
- A third middle school will be starting BRT in October. There are three churches involved with this one BRT as these churches believe in working together to reach the students in the community.
- There is a possibility of two more middle schools and another high school starting this fall as well. We are waiting on confirmation from the administration of these schools.
- **Prayer:** I am currently over 27 schools (possibly more before the end of the school year) and I'm teaching 12 of them consistently. I LOVE teaching, but I need to train more people to do the teaching. It's getting more difficult to keep up with all that needs to get done.
- I was looking to start another Knox County elementary school in October, but I haven't been able to pursue it as I've been tied up with so much.
